

We are excited to welcome back Jerry Noga to Saugeen Golf Club as our Director of Golf Instruction for the 2021 Golf season. Jerry has been a member of the PGA of Canada since 1987. For 13 of his 30+ years as a Golf Professional, Jerry worked on Canada's West Coast both in Vancouver and on Vancouver Island before returning to Calgary in 1999. There he spent 12 years working with the National Golf Academy before joining the Saugeen team.

During his career, he has developed his understanding and philosophy of the golf swing by studying many professionals. He has had the opportunity to receive clinic instruction from Lee Trevino and Larry Mize. He has also been schooled by teaching greats such as Butch Harmon, Hank Haney, Bob Toski, Dr. Gary Wiren and "Canada's Great" George Knudson.

As a Class "A" Golf Professional, Jerry also graduated from the University of Manitoba with a Bachelor of Science Degree in "Earth Sciences". As a player, earlier in his professional golf life, he had several Top-10 finishes in Assistants Events and Pro-Ams. In 1991, he and his team won the PGA of British Columbia Pro-Executive Tournament.

2021
Season

Class Description

Spring Refresher Series

Get off to a great start for the Season! This program is designed to shake off the cobwebs for all you golfers that want to start this year on the right foot. This class will be a sound review of basic fundamentals with a priority given to swing principles and applications. "Get the Ball in the Hole." How good is your putting? We will also be spending time on the putting green.

Adult Beginner Classes

"Get Started in the Right Direction"! First you will learn the Fundamentals of Golf. This prepares you to execute the swing. Your focus will then be directed to the correct applications and principles necessary to create a dynamic swinging motion. Time will also be dedicated to the Short Game: Learn the fundamentals of pitching, chipping and putting and by then, you will be armed and ready to develop at golf. Attention will also be given to proper golf etiquette.

Drop In and Fix it

These lessons are designed to address the annoying particular problems that you may have with an area of the game and need to correct. Drop in as often as you feel you need, on the designated dates and times posted. Please notify Jerry that you will be present for the particular prescheduled day of, in advance. There will probably be several participants each time but handled individually. These sessions will be focused on full shot ball flight or the short game. Putting may not be available during these sessions.

Women's Only Beginner Classes

"Get Started in the Right Direction" and "Stay on the Correct Path!" This lesson series is for those women golfers who would prefer to participate within their own gender group. First you will learn the "Fundamentals" in preparation for the golf swing. Then your focus will be directed to the correct principles of the swing in order to create a dynamic swinging motion. Short Game: Learn the fundamentals of pitching, chipping and putting. Time will also be spent on golf course etiquette.

Senior Golf Lessons

"Older Dogs Can Still Learn New Tricks"! You may have golfed poorly most of your life or maybe you are just at the beginning stages of your golf experience but because you are signing up in this category is simply that you are aging and getting older means that you are not quite as strong as you once were,....not that you are incapable of learning. You will learn the Fundamentals in preparation for the swing along with the principles involved and the execution of those principles in order to create a dynamic swing motion. Short Game: Learn the fundamental techniques of pitching, chipping and putting.

Short Game Clinics

"50 to 60 yards and in"! The content of this lesson time includes the "how to do" of pitching, chipping, putting and sand play. "Get Control of Your Distance"! "Stop hitting those stupid Shots"! Time will also be spent on proper etiquette, on and around the putting green. This instruction will be held in the form of a "Clinic" of which will occur periodically throughout the season. Watch for postings and notifications.

At Saugeen Golf Club I want to make it my personal guarantee that my students will receive the most comprehensive instruction that I can provide for all aspects of the Great Game of Golf. Not only will you learn the Fundamentals, but I will also teach you what you "must" do to successfully develop your new acquired skills and become a better player. It is with this spirit of dedication that I make this commitment. "Prepare Yourself" to make Golf a most enjoyable experience.

Jerry Noga
