

We are excited to welcome back Jerry Noga to Saugeen Golf Club as our Director of Golf Instruction for the 2022 Golf season. Jerry has been a member of the PGA of Canada since 1987. For 13 of his 30+ years as a Golf Professional, Jerry worked on Canada's West Coast both in Vancouver and on Vancouver Island before returning to Calgary in 1999. There he spent 18 years working with Real Swing Golf and the National Golf Academy before joining the Saugeen team.

During his career, he has developed his understanding and philosophy of the golf swing by studying many professionals. He has had the opportunity to receive clinic instruction from Lee Trevino and Larry Mize. He has also been schooled by teaching greats such as Butch Harmon, Hank Haney, Bob Toski, Dr. Gary Wiren and "Canada's Great" George Knudson.

As a Class "A" Golf Professional, Jerry also graduated from the University of Manitoba with a Bachelor of Science Degree in "Earth Sciences". As a player, earlier in his professional golf life, he has had many Top-10 finishes in Assistants Tour Events and Pro-Ams. A highlight came in 1991, when Jerry led his team to victory, winning the prestigious PGA of British Columbia's Pro-Executive Golf Tournament.
